Dear Sir / Madam,

I am writing to formally request the unblocking of my bank account and to provide clarification regarding a transaction that may have led to situation.

In 2024 I was contacted through LinkedIn by an individual who claimed to offer a job opportunity. Based on the communication at that time, I transferred money to the Mano Bala who block my account to this situation.

In the screenshot also correctly mentioned that he refund the money because he didn't provide the correct opportunity so he refund. I have attached the screenshot as well. It's my salary account so kindly take a action as soon as possible.

Udangudi Thank you.

Yours obediently,
M. Muthu Anushya
